11.00 AM - 12.00 PM - Comic Strip

01.00 PM - 4.00 PM - Connections

02.00 PM - 4.00 PM - What if?

- Ad-zap

## CONNECTIONS

Recalling a term becomes easier when images related to the word are coupled with it. Observe, connect and crack the concept.

## ASTRONOMY CLUB OF PONDICHERRY UNIVERSITY (ACPU)

- Solar observations
- Star Party: (Exploration of night sky and Q/A session on cosmic curiosity)
- Telescope : (Beyond the limits (Past, Present and Future of telescopes)
- Star Wars : (Release the force within, make difference join astronomy quiz)
- Data Driven Astronomy (Seminar)

## POSTER/PAPER PRESENTATION - RADIATE

A 'good' idea becomes a 'great' idea when you let it out. Come, join us to power up your creativity and unleash the ideas within... Let's Radiate.

## WHAT IF?

Ever wondered about various situations and thought about it? Then this is the perfect contest for you. Think about the various situations given, and cook up your best explanations.

## PHOTOGRAPHY - FRAMES

Explore the campus, and capture your best scientific snap. There's nothing more enlightening than a brilliant image of a fuzzy concept.

## TREASURE HUNT- MARAUDER'S MAP

Not all treasure is gold and silver.

## SCIENCE QUIZ- IN LABYRINTH

Rock thee brain, win thy prize.

## FILM SCREENING

Scientific pedagogy using films and documentaries.

## SCI-FI WRITING - $\psi$ - $\phi$

Open up your imagination and let it penetrate through some odd dimensions to create your world. For Science Fictions are works to seek the impossible.

## DEXTER'S LAB

Interested in physics but tired of equations and derivations? Come see physics in action at Dexter's Lab.

## OPEN HOUSE

Allow your eyes to gaze upon the latest equipment which manifest the physics concepts.

## COMIC STRIP - LOL WITH PHYSICS

Ever thought of physics being funny? Let's make it happen. Come laugh out loud with physics.

## JUNKYARD SCIENCE

Pull on your gloves and experience the science of trashology! Test your skills on our battleground.

## AD-ZAP

Tired of rotten ads?? Cook up something new, stuff them with physics, sprinkle some humor and serve it hot!
