CAPITALINE PLUS DATABASE

Ananda Rangapillai Library has subscribed to CAPITALINE PLUS database with effect from March 2013. Online access has been activated and is available at <http://www.capitaline.com>

Capitaline Plus database analyses companies with the most accurate, transparent financials in the market place covering over 23,000 companies with over 2500 unique financial data items and 350 industry specific items. Perform in-depth historical research and analysis with historical fundamental and market-data.

It gives extensive financial and non-financial information on each of the companies' balance sheet, profit & loss, consolidated financial data, segment data, and stock prices. It has powerful screener module to identify companies satisfying varying criteria and trends. The database is complemented with powerful analytical software tools to enable extensive querying and research.

Please circulate this information to all the faculty, research scholars and students to make the best use of this access facility.
