Date: 23-07-2015

Sir,

Sub: Quotation invited to supply of **Exhaust blower system** (1No.) for Geochemistry laboratory– reg.

I invite sealed quotation for supplying the following items as per the terms given below.

---

<b>S. No.</b>	<b><u>Items and Specifications</u></b>
---------------	--

---

**1. Exhaust System for Geochemistry laboratory** (Model diagram enclosed):

Centrifugal blower made of corrosion resistance PP/FRP material (Blower type picture enclosed), 1hp/2pole branded drive motor speed approx.2000rpm, 250V A/C with V-belt arrangement to drive blower, blower assembly consists of casing PP/FRP, impeller FRP; shaft stainless steel and any other exposed item/surface of the system coated with FRP to avoid acid corrosion and contamination in chemical laboratory. Diameter of input/output ducting connection of exhaust system should be clearly mentioned in the quote and should be detached with commercially available PVC ducting pipes in the market. Noise of exhaust system should be minimum level while operating.

---

**Terms and conditions:**

1. The quotation should be sealed and superscribed as “*Quotation for Exhaust blower system for Geochemistry laboratory*”. The quotation should reach the undersigned **before 4:00P.M. on 10.8.2015**
2. The rate quoted should be on FOR destination basis and should be inclusive of all taxes, freight charges. Form C/D are not applicable to our University
3. The University has the right to select or reject any quotation partly or fully without assigning any reason
4. Payment will be made against bill after receipt of items in good condition at our premises.

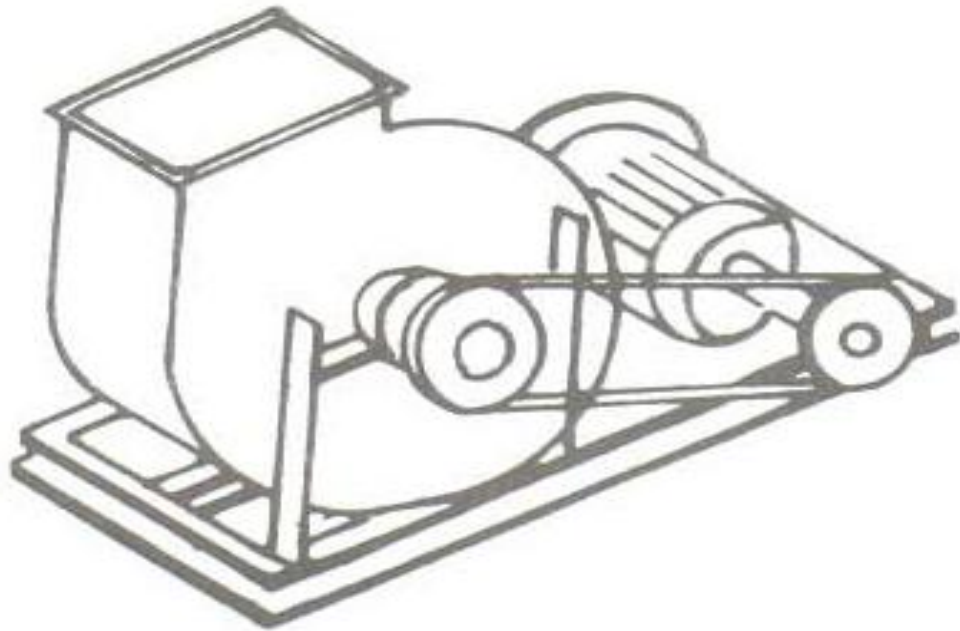

Thanking you,

Yours sincerely,

(M.S. Pandian)
